This document is not a prospectus, product disclosure statement or other offer document under Australian law or under any other law and has not been filed, registered or approved by regulatory authorities in any jurisdiction. This document does not constitute an offer, invitation, solicitation or recommendation to acquire any shares in the Company. The information contained in this document is not intended to be relied upon as advice or a recommendation to investors and does not take into account the investment objectives, financial situation, taxation situation or needs of any particular investor. An investor must not act on the basis of any matter contained in this document but must make its own assessment of the Company and conduct its own investigations and analysis. Investors should assess their own individual financial circumstances and consider talking to a financial adviser, professional adviser or consultant before making any investment decision. The information contained in this document is supplied in summary form and does not contain all information necessary to make an investment decision.

Neither the Company nor any of its directors, officers, employees, contractors, agents or advisers (**Limited Party**) makes any representations or warranties, express or implied, as to or takes responsibility for, the accuracy, reliability, completeness or fairness of the information, opinions, forecasts, reports, estimates and conclusions contained in this document. No Limited Party represents or warrants that this document is complete or that it contains all information about the Company that a prospective investor may require in evaluating a possible investment in the Company. To the maximum extent permitted by law, each Limited Party expressly disclaims any and all liability, including, without limitation, any liability arising out of fault, negligence or omission on the part of any person, for any loss or damage arising from the use of, or reliance on, information contained in this document or otherwise arising in connection with it.

Certain statements in this document constitute forward looking statements and comments about future events, including with respect to the financial condition, results of operations and business of the Company and certain plans and objectives of the management of the Company. Such forward looking statements involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company and which may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements. Forward looking statements are provided as a general guide only, and should not be relied on as an indication or guarantee of future performance. Given these uncertainties, you are cautioned to not place undue reliance on any forward looking statement. Past performance is not indicative of future performance and no guarantee of future returns is implied or given. Nothing contained in this document nor any information made available to you is, or shall be relied upon as, a promise, representation, warranty or guarantee as to the past, present or the future performance of the Company. No Limited Party or any other person makes any representation as to the accuracy or likelihood of the fulfilment of any forward-looking statements, or gives any assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in this document will occur.
