About EZZ Life Science

[EZZ Life Science Holdings Limited \(ASX:EZZ\)](#) is an Australian genomic life science company with a mission to improve quality of life and human health. EZZ Life Science has a focus on genomic research and development to address four key human health challenges: genetic longevity, human papillomavirus (HPV), children's health, and weight management. EZZ Life Science is passionate about investing in the future of consumer health through the development of e-commerce and distribution of high-quality products via omnichannel models across Australia, New Zealand, China and worldwide. EZZ Life Science is led by an experienced senior management team that have implemented strategies to drive rapid and ongoing growth of the business.
